ELECTRIC

*Xinwang cycle-Trust by test.*

I will never forget  
When I was a child  
My father ride a bike to take me out for a happy time  
And I will never forget  
He tried his best to teach me cycling  
I learnt a lot from him with my heart  
He said “Life is like cycling,there is a long way to go,  
you have to work hard and keep moving.”
